

S/N 10/603,876

PATENT

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant:	Paul V. Goode Jr.	Examiner:	Lenwood Faulcon
Serial No.:	10/603,876	Group Art Unit:	3762
Filed:	June 25, 2003	Docket:	279.A84US1
Title:	METHOD AND APPARATUS FOR TRENDING A PHYSIOLOGICAL CARDIAC PARAMETER		

INTERVIEW SUMMARY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Applicant thanks Examiner Faulcon for extending the courtesy of a telephonic interview with Applicant's counsel, Suneel Arora, on September 7, 2006. Agreement was reached that the Examiner will reopen prosecution and cancel claims 8, 10-15, 17-23, 41-44, and 46-49 by Examiner's Amendment, and that the Examiner will issue a Notice of Allowance for claims 1, 3, 5, 7, 24-27, 29-40. This comports with the Notice of Panel Decision from Pre-Appeal Brief Review, which was mailed on August 7, 2006. Thus, Applicant believes that the Appeal Brief that would otherwise be due today, September 7, 2006, is no longer necessary.

The Examiner is invited to telephone Applicant's attorney at (612) 373-6951 to facilitate prosecution of this application. If necessary, please charge any additional fees or credit overpayment to Deposit Account No. 19-0743.

Respectfully submitted,

PAUL V. GOODE JR.

By his Representatives,

SCHWEGMAN, LUNDBERG, WOESSNER & KLUTH, P.A.
P.O. Box 2938
Minneapolis, MN 55402
(612) 373-6951

Date September 7, 2006
